

The Erasmus Academic Network on Parliamentary Democracy in Europe, PADEMIA, invites applications for guest lectures by network partners to be hosted by partner institutions.

The guest lecture (in a seminar, in a workshop, or in a public lecture format) will provide the opportunity to develop academic contacts – in addition to disseminate research findings and exchange ideas between the guest lecturer and the host partners.

Each Guest Lecture can be funded with up to 500€, to be used on travel and subsistence for the lecturer.

We are looking for both, institutions which are willing to host a Guest Lecture as well as scholars who want to use this splendid opportunity for academic exchange.

In order to apply, please contact Gabriella Ilonszki (WP leader, [gabriella.ilonszki@uni-corvinus.hu](mailto:gabriella.ilonszki@uni-corvinus.hu)) or [alexander.hoppe@uni-koeln.de](mailto:alexander.hoppe@uni-koeln.de).
